| <b>BASIS OF COMPLAINANT'S CHARGE AGAINST THE ACCUSED:</b><br><br>On October 13, 2022, at approximately 2:30 p.m., U.S. Border Patrol agents responded to a remote area near Henrick's Well to search for two suspected undocumented non-citizens. A U.S. Customs and Border Protection (CBP) helicopter, piloted by Air Interdiction Agent T.W., arrived to help guide agents on the ground. Agent T.W. spotted two subjects in camouflage. When agents on the ground got close, the two subjects began to run. Agent T.W., hovering approximately 50-60 feet above the ground, followed the two subjects. One subject, later identified as <b>Hugo Alexander Garcia-Sales</b> , stopped, picked up a softball sized rock, and threw it at Agent T.W. in the helicopter. The rock missed the helicopter by approximately 5 feet. <b>Garcia-Sales</b> threw a total of 5 softball sized rocks at the helicopter; none of the rocks hit the helicopter. Agent T.W. stated that if one of the rocks hit a rotor, the helicopter would crash, and he could be seriously injured or killed. Agent T.W. directed agents on the ground to <b>Garcia-Sales</b> , and he was apprehended.<br><br><b>Garcia-Sales</b> is a citizen of Guatemala. He admitted that he does not have any documentation allowing him to be legally present in the United States. |  |
